Miss B. M. Egan
High School,
CAMBERWELL.

Dear Miss Egan,

It is with genuine regret that officers of this Department learn that you have decided to retire before the schools resume in 1951.

The work that you have done over many years both as senior mistress in charge of girls and as a teacher of English has always been held in the highest esteem and we are very conscious of the fact that teachers such as yourself are very difficult to replace.

Inspectors have keenly appreciated the very cordial relations which have always existed between them and yourself and they all wish to join me in extending to you their sincere wishes that you may be spared to enjoy a pleasant, long and profitable retirement.

With kind regards,
I am,
Yours sincerely,

C. J. Scrymgeour

Acting Director of Education

Dear Miss Egan. It is with much regret that I learn of your retirement; personally I am sorry that you do not fill the vacancy at C'well where you so justly earned promotion to it.

On a recent hurried visit to C'well N.S. I felt very proud of the girls as I observed them about the School. You yourself have every right to feel satisfaction in the thought that over a long period you have exercised an influence for much lasting good in the lives of so many of our young people.

Indeed the Dept. is losing one who has contributed very largely to much that is good in our Secondary system.

My best wishes for much happiness & contentment in the more leisurely life that you are entering upon.

Yours sincerely,
C. J. Scarp.
