These members of Churchill House — the winning choir — were putting their heart and soul into singing *The Silver Swan* when photographer Peter Mayoh took this picture at Camberwell High School's House Choral and Instrumental Festival last Thursday afternoon. After the competitions in the afternoon, at which the adjudicator was Mr. Dan Hardy, the school gave a concert in the assembly hall in the evening. The programmes were directed by the school's director of music, Mr. R. J. Trevare.
